

International Congress on
Sugar and Sugarcane Derivatives
DIVERSIFICACION 2022
National Hotel of Cuba from June 20 to 24, 2022

Announcement No. 4

The AZCUBA Sugar Group, the Association of Sugar Technologists of Cuba (ATAC) and the Cuban Research Institute on Sugarcane Derivatives (ICIDCA), are pleased to invite you to the XVI International Congress on Sugar and Sugarcane Derivatives (DIVERSIFICACION 2022) from June 20 to 24, 2022.

As it is tradition, this congress is aimed at socializing the latest knowledge on the exploitation of the potential of sugarcane, with special emphasis on showing technologies, products and services associated with this industry. In order to widen the possibility of participation of our colleagues, we will hold the Congress in virtual and face-to-face mode.

The event will focus on the following topics:

- ✓ Sugarcane agriculture
- ✓ Advances in sugar technology and industrial efficiency
- ✓ Integration of renewable energy sources for the sugar industry
- ✓ Development of sugarcane by-products (wax, alcohols, beverages, sorbitol)
- ✓ Derivatives of fiber, cellulose and lignin from sugarcane bagasse
- ✓ Bioproducts and organic fertilizers for agriculture
- ✓ Sugar and sugar derivatives value chain and competitiveness
- ✓ Food safety and animal feeding
- ✓ Climate change and environmental management
- ✓ Quality management

COMMERCIAL PRESENTATIONS

There will also be the possibility of commercial presentations, where companies can promote their products, services and technologies related to the topics of the event and will last 30 minutes. If your company is interested in this modality, you may send it to:
